1. Purpose

Alam-Con Sdn Bhd ("the Company") is committed to protecting the environment and conducting business in a responsible and sustainable manner.
This policy establishes our environmental principles in line with the **ISO 14001:2015 Environmental Management System (EMS)** and Malaysia's **Environmental Quality Act 1974**.

---

2. Scope

This policy applies to all activities, operations, and employees of Alam-Con Sdn Bhd, as well as contractors and suppliers whose actions may impact the environment.

---

3. Our Commitments

Environmental Protection and Compliance

- Comply with all relevant environmental legislation, regulations, and other obligations.
- Maintain and continuously improve our certified **ISO 14001:2015 EMS** (Certificate No. QMS-01723, valid 2023 – 2026).
- Prevent pollution through effective control of air emissions, wastewater, and solid waste.

Resource Efficiency and Waste Management

- Optimize material usage, particularly cement, quicklime, and sand, to minimize waste.
- **Implement and maintain a Waste Management SOP**:
    1. Provide designated containers at proper storage areas.
    2. Ensure workers segregate and place waste appropriately.
    3. Reuse or clear accumulated waste on a **bi-weekly basis**.
- Recycle AAC production waste such as slurry and off-cuts wherever feasible.
- Encourage responsible consumption of water and electricity, including the use of **solar PV energy** at our factory.

Carbon and Climate Responsibility

- Support Malaysia's transition to a low-carbon economy.
- Monitor and progressively reduce our carbon footprint using data from the **SIRIM Carbon Footprint of Product (CFP)** study.

Environmental Awareness and Continuous Improvement

- Provide training to employees to increase environmental awareness and participation.
- Establish measurable environmental objectives and review them annually.
- Conduct regular EMS audits and management reviews to drive continual improvement.

---

4. Communication and Transparency

This policy will be communicated to all employees, suppliers, and contractors, and made available to the public on request or through company communications.
